# Minsk Arena Sport Complex

Minsk-Arena is the most prestigious sports and cultural complex in the country that includes three main objects:

- Main arena with 30×60 meters ice field;
- Speed skating stadium with long track and two ice fields;
- Velodrome.

Minsk Arena also provides additional services: clothing rooms, different types of gyms, high-altitude room, bicycles rent, sport equipment rent, sauna attendance and recovery treatment.

We conduct the Skating Training Programs at the Olympics Size Speed Skating Stadium - the first indoor skating area in Belarus with a 400-meter long track with 30×60 and 28×60 ice fields inside it.

400-meter long track and 30×60 ice field for short-track are equipped with ISU-standard protective mats around the ice surface for athletes' safety.

In short, with our the best professional Team Members we provide the best Winter Sports Training on the World Class Level place!
